Conditions of Rental**Rental Agreement**

All rentals are subject to the terms and conditions on the rental agreement. Refer to the rental office and the rental agreement applicable at the time of rental for full details. Rates and fleet range may vary from location to location.

Driver's license and age qualification

All current Australian and overseas licences (English written) and international driving permits are acceptable. International Driving Permits are only acceptable if the renter also has their own licence to accompany the International Driving Permit. Due to government regulations International Driving Permits are not acceptable on their own without the drivers licence from drivers own country. Provisional licenses are not accepted. Minimum age is 21 years for passenger vehicles and buses under 12 seats. Minimum age for medium and large 4WD's, commercial vehicles, buses over 12 seats is strictly 25 years. Drivers younger than these age restrictions must arrange their own insurance cover –fully comprehensive-through an Australian Car Insurance company for the vehicle being rented and provide proof thereof. Drivers between the age of 21 and 25 incur a \$16.50 per day surcharge.

Rental duration

A rental day is deemed to be 24 hours from the commencement of rental. Rental rate is based on rate that the rental starts irrespective of seasonal changes.

Security Bond

Customers are required to pay a pre-authorized credit card security bond at the time of renting the vehicle. For all vehicles this is \$550.00. The bond is fully refundable upon conclusion of the rental unless there are any outstanding charges. Cash and EFTPOS security deposits are discouraged by Thrifty, however Thrifty will accept a \$550 cash bond when all optional reducers are taken.

Collision Damage Cover(CDC)

Subject to the rental agreement conditions Collision Damage Cover (CDC) is included in our rates. In the event of damage, however hirers are responsible for a minimum Damage Liability (DL), the amount of which varies according to the type of incident and rental required. No vehicles are covered in the event of water damage

Minimum Damage Liability including GST

	Multi vehicle		Single vehicle	
	Over 25 Years	Under 25 Years	Over 25 years	Under 25 years
Passenger Vehicle- 2WD Utilites/Remote area Vehicles/1 Tonne Vans/6/8/9/10 seater Minibus	\$2750.00	\$2750.00	\$4400.00	\$4400.00

Please note that these additional Waiver Options are not automatic and that conditions apply. Hirers are required to pay additional waiver options direct. **Additional Waiver options are non-commissionable and cannot be pre-paid or vouchered.**

Where a vehicle is rendered undriveable due to accident damage and requires towing to the nearest Thrifty branch, the hirer shall be responsible for all associated costs in recovering that vehicle.
